

Areolite-16

LED Street Light Head

The Areolite 16 is a unique design small size and light-weight street light.

The flat design incorporates the driver in the mounting bracket allowing for a very slim modern design.

The housing is made from aluminium with cooling fins attached to ensure cool operation and long life.

The fitting is rated at IP67 and can withstand level 17 hurricanes.

Powers from 30W to 150W are available.

Mounting options are 40 or 60mm diameter poles.
