

# Areolite-18

## LED Street Light Head

The Areolite-18 is a low-cost, low-power street light designed to replace lower power heads using SOX, SON and MH lamps.

The die-cast aluminium housing and toughened glass cover ensure protection to IP65 and impact to IK08.

For added protection the driver is mounted inside the casing.

Available from just 12W the Areolite-18 is an ideal replacement for conventional street lights mounted from 3m high.
