

# Areolite-Zero3

## Solar LED Street Light Head

The Areolite –Zero3 is an all-in-one design of street light.

The fitting contains the solar panel, lithium battery and LED lights in one housing and requires no external wiring.

Available from 5W to 60W all lamps are fitted with a daylight sensor and PIR sensor. When triggered the lamp turns on at full power for a preset time and then dims to approximately 20% until triggered again.

The aluminium casing is robust and has a protection rating of IP65.

Ideal for locations where mains electricity is not available.

Depending on the amount of sunlight the lamp should continue to operate normally for up to 3 days of cloudy weather.

### Features

- ✓ Aluminium Case
- ✓ IP65
- ✓ All-in-one design

### Replaces

- ✓ Garden lights
- ✓ Street lights
- ✓ Flood light

### Applications

- ✓ Highways
- ✓ Parks
- ✓ Industrial areas
