

# EM Two

## Emergency Bulkhead Light

The Magnatech LED EM-Two is an LED emergency bulkhead fitting.

Designed to replace conventional fitting using T5 tubes.

Consuming only 3 watts the EM-Two gives over 3 hours of emergency lighting once fully charged.

The internal Lithium battery will ensure trouble free operation for many years.

Available as both maintained and non-maintained versions.

Exit stickers are also available.

Rated to IP65 the EM-Two can be used both indoors and outdoors.
