

eClipse

Ceiling Light. Round & Square.

The Magnatech LED eClipse series of ceiling lights are designed to replace conventional fittings which use 2D and 2G11 fluorescent lamps.

Available in both round and square versions from 120mm to 600mm and powers from 6W to 48W the eClipse is simple to install in any location.

The larger sizes are also available with sensor, dimming and emergency options.
