

Stretton

IP65 Linear Light

The Magnatech LED Stretton series of LED IP65 linear lights is designed for use in car parks, shops and factories.

The Stretton uses an aluminium case with a tough PC cover.

Available in 600mm, 900mm, 1200mm and 1500mm sizes and with powers from 20W to 80W the Stretton can be used in a wide range of environments.

The IP65 rating allows the fitting to be used both indoors and outdoors.
