

Areolite-21

Compact low power streetlight

The Magnatech LED Areolite-21 series is a compact LED street light head suitable for replacing standard HID fittings.

The attractive one-piece aluminium case is powder coated to resist corrosion and features a tool-free drop-down cover for access to the driver.

The Areolite-21 is an ideal replacement for street light heads with a mounting height from 3-12metres in residential areas and car parks.

Available with optional NEMA socket or daylight sensor.

For pole-top mounting an adaptor is available.

Exceptional efficiency of over 150Lm/W.

Features

- ✓ Aluminium case
- ✓ Internal driver
- ✓ 150Lm/W

Replaces

- ✓ 50W to 400W MH
