

Areolite-25

Slim light

The Magnatech LED Areolite-25 series is a slim LED street light head suitable for replacing standard HID fittings.

The die-cast aluminium housing features a waterproof driver housing. A laminate glass front gives IK08 protection to the plastic interchangeable lens.

The tool-less driver cover allows easy access to both the driver and LED and incorporates a mains cut-out switch ensuring a safe environment when servicing.

The Areolite-25 is an ideal replacement for street light heads with a mounting height from 3-12metres for highways, residential areas and car parks.

The Areolite-25 can be fitted with an optional NEMA socket and surge protection devices to 25KV

The mounting allows for both horizontal and post-top mounting.

Exceptional efficiency of up 150Lm/W.

Features

- ✓ Aluminium case
- ✓ Internal driver
- ✓ 150Lm/W

Replaces

- ✓ 50W to 400W MH
- ✓ SON/HPS lamps
- ✓ MH lamps

Applications

- ✓ Residential streets
- ✓ Highways
- ✓ Industrial areas

Model	Areolite-25
