

Lyra

LED Hi-Bay Light

The Magnatech LED Lyra is a low cost hi-bay lamp designed to replace conventional high bay lights which use SON and MH lamps.

Recommended for use in less demanding environments where duty cycle is low.

By using 3030 SMD LED chips we can optimize the heat distribution on the PCB and the die-cast aluminium heatsink ensures cool and reliable operation.

Available from 50W to 200W the Lyra is available with a standard 90° beam angle without the need for bulky reflectors.

Suitable for replacing 100W to 400W SON or MH fittings.

Lyra can be used with our adaptive lighting control system and dimming motion sensors to maximize power savings.

Standard 2 years warranty.

Features

- ✓ Aluminium case
- ✓ Covered driver
- ✓ High efficiency

Replaces

- ✓ 100W to 400W MH
- ✓ Conventional high bay
- ✓ Flood lights

Applications

- ✓ Factories
- ✓ Warehouses
- ✓ Exhibition halls

Model	Lyra Hi-bay			
	50W	100W	150W	200W
Power (standard)	50W	100W	150W	200W
Light Output	>5000Lm	>10000Lm	>15000Lm	>20000Lm
Input Voltage	185-305V AC 50/60Hz (other options available)			
Beam Angle	90°			
CRI	>70			
IP Grade	IP65			
Colours	3000K, 4000K, 6000K
