

Omnilite-K

LED Downlight

The Magnatech LED Omnilite-K series of classic downlights is ideal use in hotels, restaurants and stores.

Available in 5 sizes and with 7 powers from 7W to 30W the Omnilite-K is a perfect retrofit for many standard fittings which use halogen or CFL lamps.

Available with 120° beam angle with frosted cover (SMD chips) or 60° beam angle with aluminium reflector (COB chip).

The substantial heat sink ensures cool working temperature and the external driver allows for a variety of functions including DALI and 0-10V dimming.
