

# Optolite Sigma LED Flood Light

The Magnatech LED Optolite Sigma is a versatile modular LED flood light suitable for both indoor and outdoor use.

The wide range of optics available means the Sigma is suitable for use for area lighting, such as car parks and warehouses, sports areas and tunnel lighting.

The PC lens gives impact protection to IK10 and the fin type housing ensure good heat dissipation.

Magnatech offers a wide range of smart lighting controls for the Sigma including adaptive lighting sensors, dimming microwave sensors and wireless cluster control.

The Sigma can be supplied with dimmable drivers suitable for DALI, 0-10V and PWM systems.

The high efficiency Philips Lumiled LED chips and Sosen driver ensures a maintenance free lifetime of 50,000 hours.

Standard 5 years warranty

Series	Driver	Power	CCT	Beam Angle	Options
