

MAGNATECH LED
Simply Brilliant

Sagitta

LED linear highbay/lowbay

50W to 250W

The Magnatech LED Sagitta is a versatile high/low bay fixture.

The Sagitta is ideal for use in wide variety of environments including factories, warehouses, supermarkets and car parks. The IP66 rating also allows for use in outdoor situations.

The tough aluminium case and PC lens gives protection to IK10.

Mounting is either by adjustable bracket or suspension wires.

For powers above 250W double width mounting is available.

Multistep dimming motion sensor and daylight harvesting are also available as options.

- Powder coated aluminium case.
- Sosen driver (standard)
- 0-10V dimming, dim-to-off, DALI2, D4i (option)
- Motion sensor and daylight harvesting
- Lumileds 3030 LED chips
- CCT 2000K to 6500K
- PC lens. IK10
- Range of optics
- 5 year warranty
