

# Stretton Linear Tri-proof Light

The Magnatech Stretton range of linear tri-proof lights is designed for low-bay industrial applications.

The sturdy extruded aluminium housing provides excellent heat transfer whilst the frosted PC cover reduces glare and gives protection to IK08.

By using Philips Lumiled 3030 LED chips and Lifud drivers the Sagitta gives both excellent efficiency of over 120LM/W and reliable operation for more than 50,000 hours.

Available with options of surface mounting brackets or suspended mounting.

The Stretton is compatible with the Magnatech LED range of dimming motion sensors and adaptive lighting systems.

Options include 0-10V and DALI dimming and 3 hour emergency pack.

Standard warranty 5 years.

Series	Length	width	Power	Driver	Options	Cover
T8U	60=600mm	N	20W	LA=Lifud GIR_YM	00=None	F=Frost
	90=900mm		30W		04=Microwave on/off	
	120=1200mm		40W		05=Microwave 2-step	
	150=1500mm		50W		06=Microwave 3-step	
			60W		07=MS01 adaptive	
			80W		11=3hr emergency
